

2025 Quiet Corner Bike Tour

Presented by Thread City Cyclers

Sunday, July 27, 2025

ALL RIDES START & FINISH AT GARRISON PARK in CHAPLIN, CT

102, 64, 40, 20 Mile Rides and 18 or 34 Mile Gravel Rides

Choose your own adventure while cycling Eastern Connecticut's country roads on a fully supported ride. Our century route will still take you through the scenic turns at Devil's Hopyard State Park, and then turn north to explore more of the Quiet Corner with an opportunity for ice cream at Wi-Li-Kit at the last rest stop. You may also choose from routes of 64, 40, 20 miles, or two gravel rides of 18 miles and a new 34 mile ride also with a stop at Wi-Li-Kit for ice cream. Enjoy stunning roads, friendly faces, and more-than-enough great food along the way. Half of the proceeds will go for cycling advocacy to support and improve our local trails and youth cycling.

The towns have asked us to not paint route markings on the road so we will not be marking the roads this year. You will be able to download Ride with GPS routes and cue sheets for all rides will be available at morning check in. We also hope to have one or two ride guides for the road rides for those interested in riding with a group.

NEW MEMBER OFFER

Registered riders can become Thread City Cyclers members for half price. That is \$15 off the annual membership price of \$30. Offer good for new members only.
