Presented by Thread City Cyclers

ALL RIDES START & FINISH AT GARRISON PARK in CHAPLIN, CT

102, 64, 40, 20 Mile Rides and 18 or 34 Mile Gravel Rides

Choose your own adventure while cycling Eastern Connecticut's country roads on a fully supported ride. Our 102 mile route will still take you through the scenic turns at Devil's Hopyard State Park, and then turn north to explore more of the Quiet Corner with an opportunity for ice cream at Wi-Li-Kit at the last rest stop. You may also choose from routes of 64, 40, 20 miles, or two gravel rides of 18 miles and 34 miles. Enjoy stunning roads, friendly faces, and more-than-enough great food along the way. Half of the proceeds will go for cycling advocacy to support and improve our local trails and youth cycling. The towns have again asked us to not paint route markings on the road. You will be able to download Ride with GPS routes, and cue sheets for all rides will be available at morning check in. We will also have one or two ride guides for the 40, 64, and 102 mile road rides and 34 mile gravel ride for those interested in riding with a group.

NEW MEMBER OFFER

Registered riders can become Thread City Cyclers members for half price. That is \$15 off the annual membership price of \$30. Offer good for new members only.

REST STOPS & SUPPORT

Enjoy home baked offerings, sweet & salty snacks, fruit, water, and more at our rest stops. There will be a portable chemical toilet at each rest stop. In addition, fresh food, fruit, and beverages will be provided at our post-ride picnic.
