

# 2026 Quiet Corner Bike Tour

Presented by the Thread City Cyclers

Sunday, July 26, 2026

## Sponsorship Information

Greetings,

Formed in 2002, the Thread City Cyclers (TCC) is an eclectic group of over 100 cyclists centered in the greater Windham-Mansfield area. We strive to provide opportunities for cyclists of various skill levels to challenge themselves, to learn more about cycling, and to train for various riding activities. We promote cycling events that encourage teamwork, safety and increased public awareness of cyclists and their rights on public roads and trails.

The centerpiece of our riding calendar is the Quiet Corner Bike Tour.

(<https://www.bikereg.com/quiet-corner-bike-tour>) which will take place this year on Sunday, July 27, 2025. Six rides with lengths of about 20, 40, 64, 102 miles, and an 18, and 34 mile gravel ride will start and finish at Garrison Park in Chaplin. Rest stops at various junctures will be well stocked with food and water and a lunch is provided following the ride for all riders.

We are pleased to be donating 50% of the proceeds from the Quiet Corner Bike Tour to one or more organizations dedicated to improving the beautiful network of rail trails here in Connecticut, and youth bike education in our area. Please assist us in our efforts by providing a sponsorship for the rides this year presented by the Thread City Cyclers.

### Donation Level

### Benefits

\$100

Name listed on Cue Sheet and 1 free registration

\$200

Name listed on Cue Sheet, Rest Stop Sponsor (signage provided by Sponsor) and 2 free registrations
